The International Summer School (ISS) at the University of Oslo has offered intensive summer courses since 1947. Nearly 28,000 students from more than 150 countries have attended our program. In 2014, the ISS welcomed 564 students from over 90 different countries to six intensive weeks of learning both inside and outside the classroom. In 2009, UiO awarded the ISS the prize for "Best Learning Environment".

Please announce the International Summer School program and scholarship opportunities to relevant institutions and individuals.
